

## Fill the Frames (1-20)

**Materials:** die marked with numerals 1-6, double ten frames, counters

---

1. Work with a partner. Collect one die and a double ten frame each.
2. Take turns to roll a die and count out a matching number of counters.
3. Place one counter in each space on your top frame.
4. Keep taking turns until you have both filled all twenty spaces on your frames.
5. Remove your counters and play again.
